

Ove Bepari

Distributed Systems

Dhaka, Bangladesh

Application Operations Engineer specializing in **GNU/Linux** internals, **Distributed Systems & Consensus** and Application **Observability**. Proven track record of debugging & improving complex Distributed and **Concurrent** Systems.

Education

2018 - 2022

Dhaka university of Engineering & Technology, Gazipur

BSc in CSE

☎ 8801679122103

Work experience

THERAP BD LTD.

2022 - NOW

Application Operations Engineer II

- Debugged **JVM** (JFR, JMX, GC), **Network** (Wireshark), OS (Resources, **Thread-leaks** etc) for applications (mitigations, possible alternative solutions)
- Resolved critical **split-brain** network partitions in Distributed Systems (Hazelcast, Coherence) across environments
- Facilitated **blameless postmortems** for critical application incidents, identifying root causes and engineering preventative guardrails
- Co-architect-ed a **high-throughput** observability pipeline utilizing Vector and Falcon LogScale to process unstructured logs, slashing **Mean Time to Detect (MTTD)** from a few hours to < 5 minutes.

TICKETBD

2016 - 2017

Backend Engineer

- **Concurrency Control:** Engineered the core seat reservation engine in PHP to handle high-concurrency booking requests. Implemented atomic mechanisms (using **Database transactions**) to resolve race conditions, ensuring zero double-bookings during peak traffic loads.
- **Full Stack Delivery:** Led the end-to-end development of the **MVP**, scaling the platform from initial concept to processing live commercial transactions.

Technical Skills

- **Distributed Systems & Infrastructure:** Raft (My Raft Implementation in Python3), Kernel Internals (VFS, Syscalls), F5 BIG-IP LTM
- **Observability & Networking:** Vector, Falcon LogScale, Wireshark (Packet Analysis), TCP/IP, OSI Model
- **Languages:** Go (Concurrency centric), Python (GIL/multi-threaded), C, C++, Bash/Shell, SQ

Leadership and Experiences (selected)

- Champion - **Intra-Therap 8-Ball Pool Tournament**
- Member - **Therap Food Committee** (Breakfast & Lunch for 450+ individuals)
- Vice President, Ex General Secretary - **DUET Computer Society**
- Senior Vice President - **DUET Sports Club**
